Principal Report

In response to concerns regarding traffic safety along 7th Ave during drop off and pick up times, the RCMP monitored the school for a 45 minute period and issued approximately \$2500 worth of tickets during this time. Our local bylaw officer performed an evaluation and has proposed a pedestrian light at the crossing by the rec center.

All construction in the school is now complete. Parking by the bus area, which is now available for students and parents, will soon be allocated for staff only.

Report cards will be issued next week and parent conferences will take place from 3:30pm to 6pm and from 6:30pm to 9pm on November 26th. My BCEd will begin next Tuesday. The school has a new secretary, Mrs. Pearce.
