The soft focus filter is a popular technique used by photographers to soften facial characteristics, improving skin tones, minimizing facial hair, skin blemishes and fine lines. The soft focus filter enhances your portrait. The soft focus filter can only be applied at the time picture is taken.

How To Place Your Order

1. Please complete your student information, enclose your payment and return to the photographer on photo day. There are **NO SUBSTITUTIONS ON PACKAGES**.
2. Students must pay separately with their own envelope. Only students who pay at the time of photography will receive a photo package.
3. If paying by cheque, please make the cheque payable to: **Vibrant Photos**. Include the **Student Name, School Name, Grade and Phone Number** on the back of the cheque. We cannot accept post-dated cheques. **NSF cheque charge is \$30.00**
4. All pricing includes applicable taxes.
