### Beyond Behaviours for the Early Years: When Is It More?

When our kids are having a hard time, or we are seeing it for the first time, we might wonder what's going on? In this video conversation, a parent and counsellor talk about the developmental stages of children, what are typical behaviours, and how do we know when something more might be going on.

Watch a video with Early Years Navigators, Diana McCall and Brianne Huish, and FamilySmart Parent-In-Residence, Monica Thimer, and come together afterward for an open discussion.
