

## Mission Senior Secondary *Intent to Graduate Early Criteria*

It is my intention to graduate at the end of first semester. I will not be attending classes at MSS during second semester (February to June). I understand that if I choose to stay for second semester, I may not have my first choice in courses.

By the end of Semester One I understand that I must:

- Have completed all course and credit requirements for my Dogwood Certificate
- Have completed all my hours for Career Prep Work Experience if I am in that program
- Have completed Graduation Transitions
- Have written the Numeracy exam

I also understand that if I have completed graduation requirements, I may request to:

- Attend Prom
- Attend the Convocation ceremony

\*\*\*If I change my mind and decide to attend MSS for second semester I MUST notify my counsellor no later than the **end of the first semester**.\*\*\*
